PUR PROJET

PUR Projet is a global leader in supply chain sustainability. We develop socio-environmental projects within the supply chains of our Corporate Partners. Through the economic and social empowerment of local communities and the introduction of sustainable development initiatives at the agricultural level; PUR Projet seeks to address climate change, while regenerating and preserving the ecosystems upon which these supply chains depend. Many of PUR Projet's projects fall within the categories of inseting, regenerative agriculture, agroforestry, forest conservation and landscape restoration.

PUR Projet is an impact driven social business and B Corp, based in Paris, France; with offices in Toronto, Singapore, Bogota and Thailand. We operate programs in >40 countries. PUR Projet has a depth of experience in South America, Asia, Africa and Europe, and is currently expanding its scope within North America. PUR Projet's clients range in size but include large programs with entities such as Nespresso, Burberry, Ben & Jerry's, L'Oreal, Chanel, AccorHotels and Caudelie.

More information on PUR Projet and our work can be found on our website at www.purprojet.com.

ROLE

PUR Projet is seeking an ambitious, creative and engaging, impact driven individual for a role in working with PUR Projet's new and existing clients, and partners, in the development of positive impact programs in their agricultural supply chains.

The successful candidate will coordinate with clients, partners, investors and the Projects Team on the development of new programs and strategy, administration and management of these programs, the implementation of underlying projects; and support the ongoing monitoring and communication of the projects and programs over time.

DUTIES & RESPONSIBILITIES

WORKING CONDITIONS

The successful candidate will work out of the Toronto Office, but will be expected to travel on a regular basis, between 25-50% of their time. Travel will occur majorly within Canada, USA and the UK, but trips to the head office in Paris, or other project locations should also be expected.

Candidates will be expected to be comfortable working both outdoors, on projects in the field, in varying conditions, and in the office.

CONTRACT

We are looking for an individual to fulfill a full-time position.

REQUIREMENTS & CERTIFICATIONS

Candidates must have a valid passport, legal right to work in Canada (with a PUR Projet sponsored visa if necessary) and a valid driver's license. Candidates must have the ability to travel in the USA, UK and EU at minimum.

RECRUITMENT PROCESS

PUR Projet kindly asks that interested candidates submit their CV and a cover letter, describing their motivation and relevant experience, by email to recruitmentNA@purprojet.com with the subject 'PROGRAMS MANAGER NORTH AMERICA – LAST NAME, FIRST NAME'.

All candidates will receive a confirmation email upon receipt.

It is kindly requested that all submissions are made by February 8th, 2019, although telephone interviews will begin before this time for any short-listed candidates who have submitted their documents early.

All CVs will be reviewed by the PUR Projet Team. Those candidates shortlisted will receive an email within 2 weeks of submission, to request a telephone interview. The final two stages of the recruitment process will be an in-person interview and case study.

Please be prepared to have three references available upon request.

The successful candidate will start with PUR Projet between February and March 31st, 2019.
