

ABOUT

PUR Projet is a global leader in supply chain sustainability. We develop socio-environmental projects within the supply chains of our Corporate Partners. Through the economic and social empowerment of local communities and the introduction of sustainable development initiatives at the agricultural level, PUR Projet seeks to address climate change, while regenerating and preserving the ecosystems upon which these supply chains depend. Many of PUR Projet's projects fall within the categories of insetting, regenerative agriculture, agroforestry, forest conservation and landscape restoration. PUR Projet is a B Corp Company which employs over 110 people and a presence in 10 countries.

PUR Projet Is Recruiting A Senior Program Manager To Support The Fashion & Luxury Team

As part of the Program's team working with the Fashion & Luxury sector, the successful candidate will report to the Sector Lead and be one of the lead industry contacts for PUR Projet corporate partners based in Europe.

Key responsibilities will include:

Program Management: maintaining positive dialogue with key corporate partners, supporting the team in providing expected deliverables around impact monitoring and contractual agreements, monitoring budgets and facilitating access to Industry frameworks

Business Development: supporting the growth strategy for specific commodities as primary focus (geographies, clients, service offering); developing proposals for new and existing clients; designing project concepts meeting Industry needs and targets for climate and procurement strategies

Team Management: supporting the Sector Lead in team management efforts, anticipating and leading additional recruitments and onboarding new team members

Sector Knowledge: conducting research and reviewing Industry standards and certifications, sectoral initiatives, national and international policies, supply chains trends, environmental tools and mechanisms

As a key member of the Fashion & Luxury team, you will also contribute to the design and implementation of its business development strategy.

You have demonstrated excellent commercial and sustainable project management skills in consulting firms or in Fashion & Luxury sector,

You are passionate about ecosystems protection and social issues, and you want to have a strong impact, **this position is for you!**

We are looking for a candidate with:

- Minimum 7 years work experience in development, commercial and management of international project in the **Fashion and Luxury Sector or in relation with Animal supply chains**
- Successful management experience
- Master Degree or equivalent experience in relevant fields including but not limited to sustainability, agriculture or international development; academic experience related to regenerative practices seen as a plus
- Any experience related to carbon, restoration projects, climate, agroforestry, social and environmental policy and corporate social responsibility will be seen as an asset
- Professional fluency in **English and French**. Spanish would be an asset.
- Proficient in the use of Microsoft Excel and Powerpoint

How can you apply?

Send your CV (before November 15th) to: recruitment@purprojet.com with the subject "SPM Fashion" to request a telephone interview. The final two stages of the recruitment process will be a case study and a team fit test. Please be prepared to have two references, and extra deliverables if possible, available upon request.
